Hansberger Approves Sale of Tax Defaulted Properties to San Bernardino Mountains Land Trust

On Tuesday, March 6th, the Board of Supervisors ratified the approval by Supervisor Dennis Hansberger to sell two tax defaulted properties in the Deep Creek Stream corridor to the San Bernardino Mountains Land Trust.

County policy delegates the authority for the acquisition of properties by non-profit agencies to the Supervisor for the district where the property is located.

“The San Bernardino Mountains Land Trust has always been a good steward of the property it has acquired and adding this property will ensure we preserve riparian and wildlife habitat in the Deep Creek Stream corridor for our future generations,” said Third District Supervisor Dennis Hansberger.

Tuesday’s action clears the way for the San Bernardino Mountains Land Trust to buy the properties for \$15,400 – the amount the previous owner failed to pay in property taxes.
